Maggie loves going out at night. Last Thursday she went to the cinema and then she went to a disco.

She came back home very late and when she was at the door she saw that she didn't have the keys with her. She didn't want to ring the bell because she thought her parents would be very angry. After some time, she decided to spend the night there, on the doorstep. In the morning, when Maggie's father was leaving for work, he was shocked to see his daughter on the floor, fast asleep! Maggie didn't even hear him!
