Linda Smith is a girl from Manchester. She lives in the city of Barcelona and she arrived five months ago. She wants to learn Spanish and Catalan because she wants to be a translator. She works as an au-pair with the Johnsons and their three sons. She cooks, cleans the flat and takes the children to school. At week-ends she is free. On Saturdays she goes out with her friends. On Sundays she goes to church in the morning and after that she goes to the swimming – pool until lunch time. Then, she normally has lunch in the park or if it is very cold she goes home. Next year she wants to go to Germany to learn the language. She has relations there so she will live with them.
